

SCREENSHOTS AND FEATURE DESCRIPTIONS

Login and Registration

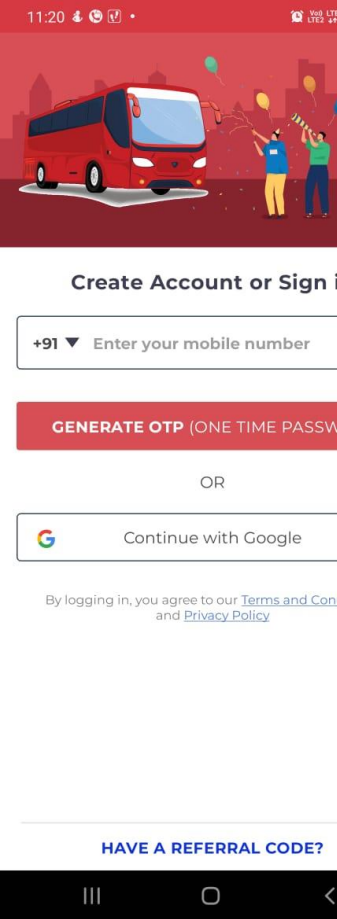

Image Descriptions

<p>Description:</p> <ul style="list-style-type: none">This looks like a snippet of a typical sign-in/sign-up page for a website or app. Here's a breakdown of the elements and their function:Elements:Create Account or Sign in: This is the main heading, indicating the user's options: creating a new account or logging in to an existing one.+91 E your mobile: This is likely a field where users enter their phone number, using the "+91" prefix for India. The "V" and "E" suggest a placeholder for actual digits, guiding the user to enter their number.OR: This separator indicates that users have an alternative login method.Continue with Google: This is a button allowing users to log in using their existing Google account. This provides a convenient, passwordless login option.logging in, you: This is likely a placeholder message indicating the current status, possibly updating as the login process happens.HAVE A REFERRAL CODE? This section allows users to enter a referral code, potentially for discounts or other benefits.Functionality:This page offers users two main ways to access the service:Create an Account: Users can create a new account by providing their phone number and possibly other details.	<ul style="list-style-type: none">Create an Account: Users can create a new account by providing their phone number and possibly other details.Sign in: Users can log in to an existing account, either by entering their phone number and password or by using their Google account for faster access.The inclusion of a referral code section suggests a potential referral program, where users can invite others and earn rewards.Potential Improvements:Visual Clarity: The design could be improved with better spacing and visual hierarchy to make the elements more prominent.Security: Consider adding a "Forgot Password" link for users who have forgotten their login credentials.Privacy: Explain how user data is handled and used (privacy policy).By refining the design and functionality, this sign-in/sign-up page can be more user-friendly and efficient for the target audience.
<p>Identified Feature</p> <p>Functionality:</p> <ul style="list-style-type: none">Allows users to log into their accounts. <p>User Interactions:</p> <ul style="list-style-type: none">Users enter their credentials and access their accounts. <p>Edge Cases:</p> <ul style="list-style-type: none">Incorrect login details, account lockout, or password reset issues.

Image Descriptions

- Description:**
- This looks like a screen capture from an online booking or ordering platform. Here's a breakdown of what it seems to be asking for:
 -
 - 1. GST Details:**
 -
 - GSTIN:** This stands for Goods and Services Tax Identification Number. It's a unique 15-digit number assigned to businesses in India for tax purposes.
 - Business Name:** The legal name of your business.
 - Business Address:** The complete address of your business, including city, state, and postal code.
 - Business Email:** The official email address for your business.
 -
 - 2. Important Note:**
 -
 - The message "In case of invalid/cancelled GSTIN, this booking shall be considered as personal booking" means that if you provide an incorrect or inactive GSTIN, your booking will be treated as a personal purchase and not a business transaction.
 -
 - 3. "Save GST Details" button:** This button allows you to store the GST information for future bookings.
 -
 - What to do:**
 -
 - What to do:**
 -
 - If you're making a business purchase, you need to fill in the correct GST details. If you're not making a business purchase, you can ignore the GST section.
 -
 - Additional Information:**
 -
 - The text "11:52 WM id Qwe all 52% im" seems like a random string of characters, possibly related to the platform you're using, but it doesn't provide any relevant information.
 - The "€_" symbol could be a placeholder for currency.
 -
 - Let me know if you have more context about the platform you're using, and I might be able to provide more specific guidance!

Identified Feature

- Functionality:**
- Enables new users to create an account.
- User Interactions:**
- Users provide their details to register and create a new account.
- Edge Cases:**
- Duplicate account creation, invalid input details, or email verification issues.

Offers

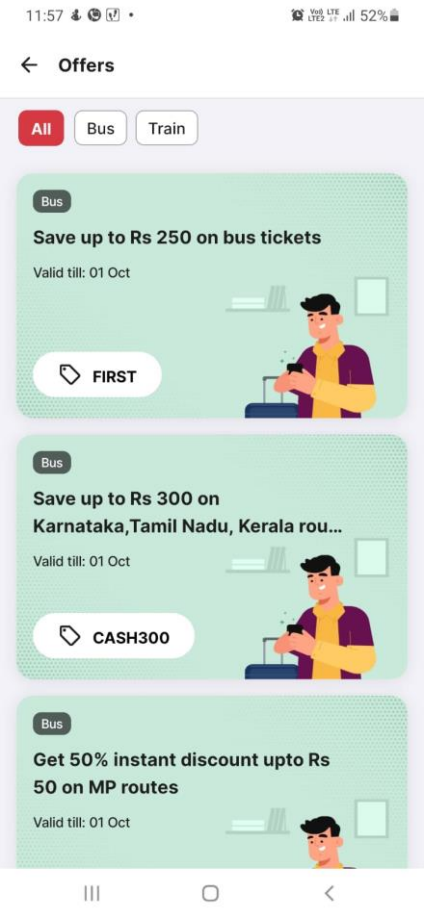

Image Descriptions

Description:

- This looks like a screenshot of a mobile app displaying offers for bus and train tickets. Here's a breakdown:
-
- **App Name:** The app seems to be called "Fan | Bus Train" based on the top part of the screenshot.
-
- **Offers:**
-
- **"Save up to Rs 250 on bus tickets":** This offer is valid until October 1st and the name of the specific provider or discount code is not shown.
- **"Save up to Rs 300 on Karnataka, Tamil Nadu, Kerala routes":** This offer is also valid until October 1st and has the name "FIRST" associated with it. It suggests discounts on routes within these specific states.
- **"Get 50% instant discount upto Rs 50 on MP routes":** This offer is valid until October 1st, is associated with "cash300", and provides a 50% discount on routes in Madhya Pradesh (MP).
-
- **Overall:**
-
- This app appears to be a platform for booking bus and train tickets with various promotional offers. The offers highlight discounts on bus tickets for specific routes and regions.
-

Identified Feature

Functionality:

- Allows users to log into their accounts.

User Interactions:

- Users enter their credentials and access their accounts.

Edge Cases:

- Incorrect login details, account lockout, or password reset issues.

Filters

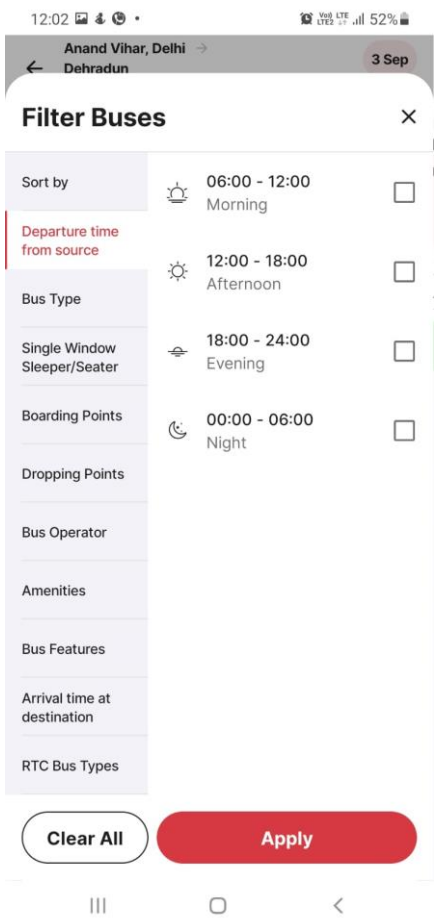

Image Descriptions

Description:

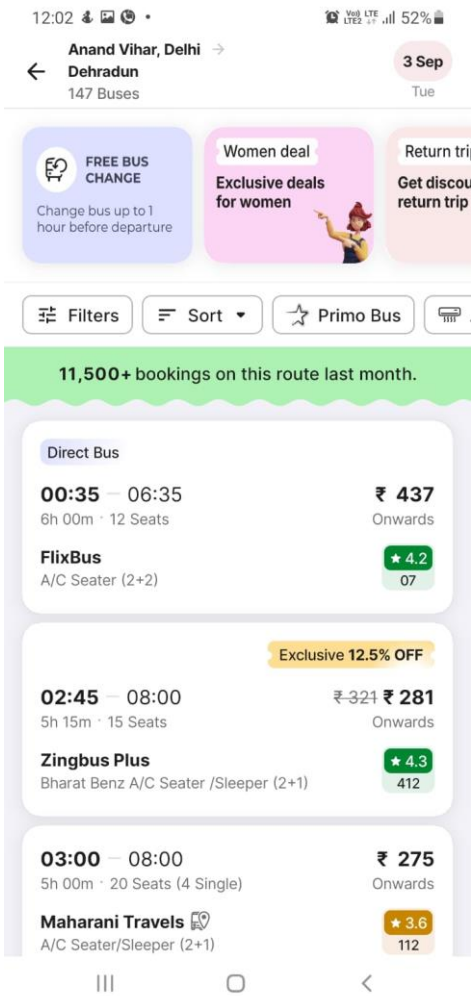

- This looks like a snippet from a bus ticket booking website or app. Let's break down what it means:
- **Header:****
- **12024 @- @ SF II 52%:**** This is likely a reference to a specific bus route (12024), possibly with a destination code (@- @ SF), and the availability of seats (52% filled).
- **Filtering and Sorting:****
- * **Filter Buses x:**** This indicates a filter option, allowing you to narrow down your search (e.g., by bus type, amenities).
- * **Sort by ty:**** This likely stands for "Sort by type," allowing you to organize buses by their features.
- **Time Categories:****
- * **06:00 - 12:00 o = " Morning:**** This defines the morning time slot for departures.
- * **12:00 - 18:00 -O- "Afternoon O:**** Defines the afternoon time slot.
- * **18:00 - 24:00 oO Sleeper/Seater Evening:**** Defines the evening time slot, emphasizing buses with sleeper or seater options.
- * **00:00 - 06:00 © Night O:**** Defines the night time slot.
- **Bus Information:****

- **Bus Information:****
- **Bus Type:**** Single Window, Sleeper/Seater: This section specifies the different types of buses available.
- **Boarding Points:**** Where passengers can get on the bus.
- **Dropping Points:**** Where the bus drops off passengers.
- **Bus Operator:**** The company operating the bus service.
- **Amenities:**** Features offered by the bus (e.g., AC, Wi-Fi).
- **Bus Features:**** Specific details about the bus (e.g., reclining seats, entertainment system).
- **Departure time from source:**** The time the bus leaves the origin.
- **Arrival time at destination:**** The time the bus reaches the final destination.
- **RTC Bus Types:****
- **III O <:**** This might indicate a category or a specific type of bus offered by a company called RTC.
- **Overall:****
- This section of the website provides users with an organized interface to filter and sort buses based on their specific needs. They can find information on various bus types, times, boarding points, amenities, and more to make informed choices for their travel.

Identified Feature

- Functionality:**
- Allows users to log into their accounts.
- User Interactions:**
- Users enter their credentials and access their accounts.
- Edge Cases:**
- Incorrect login details, account lockout, or password reset issues.

Bus selection

- ****Bus Types:****
-
- ****FlixBus:**** A/C Seater (2+2)
- ****Zingbus Plus:**** Bharat Benz A/C Seater/Sleeper (2+1)
- ****Maharani Travels:**** A/C Seater/Sleeper (2+1)
-
- ****Additional Information:****
-
- ****Ratings:**** Some buses have star ratings (e.g., FlixBus - 4.2 stars, Maharani Travels - 3.6 stars)
- ****Price:**** Prices vary depending on the bus and timing.
- ****Seats:**** The number of available seats for each bus is shown.
- ****Bus Upto 1 Hour:**** This feature allows you to change your bus up to an hour before departure.
-
- ****Missing Information:****
-
- ****App/Website Name:**** It's unclear which app or website this is from.
- ****Other Filter/Sort Options:**** The screenshot only shows the presence of filters and sort options, not the specific choices available.
-
- ****Overall:****
-
- This information suggests you're looking at bus options for a trip from Anand Vihar, Delhi to Dehradun. There are multiple direct buses available at varying prices and times. You can filter and sort results to find the best option for you.

Image Descriptions

- Description:**
- This appears to be a screenshot of a bus ticket booking app or website. Here's what I can gather from the information provided:
 -
 - ****Journey Details:****
 -
 - ****Departure:**** Anand Vihar, Delhi
 - ****Destination:**** Dehradun
 - ****Date:**** Tuesday
 - ****Number of Buses:**** 147 available
 - ****Deals:**** There are exclusive deals for women travelers, including discounts and a "Change Bus Upto 1 Hour Before Departure" option.
 -
 - ****Bus Options:****
 -
 - ****Filters:**** You can filter your search using 3 options, and sort results using 2 options.
 - ****Direct Buses:****
 - ****00:35 to 06:35:**** FlixBus - 437 INR, 6 hours, 12 seats remaining
 - ****02:45 to 08:00:**** Zingbus Plus - 324 INR, 5 hours 15 minutes, 15 seats remaining
 - ****03:00 to 08:00:**** Maharani Travels - 275 INR, 5 hours, 20 seats remaining

Seat Selection

Image Descriptions

Description:

- This appears to be a screenshot of a bus booking website or app. Here's what we can gather:
-
- **Journey Information:**
-
- **Route:** Delhi to Dehradun
- **Bus Company:** FlixBus
- **Departure Time:** 00:35
- **Arrival Time:** 06:35
- **Departure Date:** Tuesday, 03 September
- **Bus Type:** A/C Seater (2+2) - This likely means a standard bus with 2 seats across each row.

- **Cost:** The price of the ticket is not shown.
- **Specific Seats:** The seat selection area only shows a few seats, and it's unclear if any are selected.
- **Boarding Points:** The "Boarding points D" is not fully visible, so we don't know the specific locations.
-
- **Overall:**
-
- The screenshot shows a FlixBus journey from Delhi to Dehradun on September 3rd. The user is likely in the process of selecting a seat, but we need more information to understand the full context of the booking.

Identified Feature

Functionality:

- Allows users to choose a specific bus from available options.

User Interactions:

- Users select a bus based on preferences like departure time, route, or amenities.

Edge Cases:

- Bus selection errors, unavailable options, or conflicting schedules.
